ATTN: Drummond HIT ATL Team

This Health IT Module is compliant with the ONC Certification Criteria for Health IT and has been certified by an ONC-ACB in accordance with the applicable certification criteria adopted by the Secretary of Health and Human Services. This certification does not represent an endorsement by the U.S. Department of Health and Human Services.

The Mandatory Disclosure statement of costs and any additional transparency information for our certified product(s) is attached to this letter and will be posted along with the required product information on our website here:

<https://www.willowgladetechnologies.com/requirements/>

We agree to notify Drummond of any and all future changes to our transparency and disclosures language for this certified product-version. We understand and agree that the ONC Health IT Certification Program Final Rule statement gives Drummond, as an ONC-ACB, the sole responsibility for ensuring compliance and determining appropriate consequences if EHR technology developers fail to divulge accurate transparency and disclosures information.

We understand and agree that we will provide to Drummond copies of or give access to any and all websites, marketing materials, communication statements, and other assertions made by our organization regarding the ONC certification status of this product in a reasonable time to ensure the transparency and disclosures information is being accurately disclosed.
